

## CCOnline

July 2006

*An email digest of CCO program and certification news brought to you by the National Commission for the Certification of Crane Operators (NCCCO).*

### **CCO Certification Card Education Program Targets Employers**

In response to several recent incidents involving forged or “doctored” certification credentials, the National Commission for the Certification of Crane Operators (NCCCO) has begun a program aimed at familiarizing employers with the principal details of the CCO certification card. Central to this effort is the development of a pictorial “[CCO Certification Card Fact Sheet](#)” identifying the key features of the CCO certification card.
